CAREER OBJECTIVE

Motivated and enthusiastic MCA student seeking an internship opportunity in the IT industry where I can apply my academic knowledge in programming, web development, and database management. I aim to gain hands-on industry exposure, enhance my technical competencies, and contribute effectively to team-based projects while continuously learning new technologies.

PROFESSIONAL SUMMARY

Detail-oriented MCA student with a Bachelor's degree in Commerce and a strong interest in software and application development. Possesses foundational knowledge of Java, Python, web technologies, and SQL databases. Known for adaptability, disciplined work habits, and the ability to quickly grasp new technical concepts. Highly motivated to begin a professional journey through internship opportunities.

EDUCATION

Master of Computer Applications (MCA)

SRM University | 2025 – 2027 (Pursuing)

Key areas: Programming, Software Development, Database Systems, Application Design

Bachelor of Commerce (Honours) – Accounting & Finance

Sister Nivedita University | 2021 – 2024

CGPA: 7.0

Developed strong analytical, numerical, and logical reasoning skills.

Higher Secondary Certificate (12th)

Darjeeling Public School | 2021 | 77%

Secondary School Leaving Certificate (10th)

Sofia Memorial School | 2019 | 65%

TECHNICAL SKILLS

- Programming Languages: Java, Python (Basics)
- Web Technologies: HTML5, CSS3, JavaScript
- Database Technologies: SQL, MySQL
- Core Concepts: DBMS, Object-Oriented Programming (Basics), Data Structures (Basics)
- Other Skills: Debugging basics, logical reasoning, understanding of SDLC

ACADEMIC PROJECT

Student Management System

- Developed a basic application to store, update, and manage student records efficiently.
- Implemented CRUD operations using Java and SQL.
- Designed relational database tables ensuring data integrity and consistency.
- Gained practical exposure to backend logic, database connectivity, and application flow.

EXPERIENCE

Software Intern | Nexova Techwork Private Limited

- Tested Edubook school management modules including Settings, Students, Staff, and Timetable.
- Assisted with school registration, subscriptions, student/teacher records, and timetable setup.
- Supported website content/product updates, documentation, functional testing, and quality checks.

KEY STRENGTHS

- Strong willingness to learn new technologies
- Good analytical and problem-solving abilities
- Effective time management and academic discipline
- Good communication skills and team collaboration
- Adaptable and open to feedback

LANGUAGES KNOWN

English (Professional Proficiency), Bengali (Mother Tongue), Hindi (Conversational)
